

Welcome to Dimensional Fund Advisors

Emiliano G.
Analyst, Global Client Group

“My internship at Dimensional provided me with a breadth of knowledge and professional development. The program helped me build the foundation for a successful start to my professional career.”

DISCOVER DIMENSIONAL

At Dimensional, we want to improve lives by changing the way the world feels about investing. We are a global investment firm rooted in academia and guided by our belief in the power of global markets. We work with financial professionals to provide evidence-based investment solutions.

We believe our success lies in our exceptional people, who share a passion for learning and a commitment to excellence and one another. Our internship and career opportunities span business development, investments, marketing, and technology.

Hear from
Dimensional's interns

Our 10-week summer internship program provides a robust experience, including hands-on training, structured mentorship, and meaningful projects that directly impact our business.

Global Client Group

Gain insight and experience in building long-term relationships that aim to expand Dimensional's reach.

Investment Solutions Group

Through analysis and research, help develop tools and informative content to deliver investment thought leadership.

Research

Support Dimensional's investment approach through data application, analysis, and technology solutions. In addition, help develop research that supports our portfolio management and sales teams.

Marketing

Help advance Dimensional's global impact by sharing the story of "Why Dimensional?" through traditional media, social media, and brand marketing.

Technology

Contribute to the team's work to design, develop, and operate Dimensional's innovative, research-driven technology solutions.

APPLY TODAY

Internship opportunities are posted at the end of each summer for the following summer, and are available in our offices in Austin, Texas, Charlotte, North Carolina, and Santa Monica, California.
